Adventure Kids: Mission Possible

Instead of doing the typical VBS here at Central this year, we have done something a little different. We did Adventure Kids: Mission Possible. This year we picked three different outreach ministries from around Weatherford and worked hard to learn a little bit more about them and then to discover ways that each one of the kids and adults could help continue that ministry.

We started out each day learning about different children throughout the Bible who did seemingly small acts which lead to great leadership and movements throughout biblical history. We acted as Samuel, Miriam, and David.

Then we visited Manna, Center of Hope, and Sterling House, took canned goods and clothes, packed lunch kits, and sang to entertain our seniors. We also continued the fun with swimming, snow cones, and tours at Fossil Rim.

It was a small group of children than we have had in the past, but this small group had a blast. They worked hard, and they represented Central Christian Church well. It worked for us this summer to be bold and not do our regular week of VBS, our children got the chance to be the hands and feet of God in Weatherford, and discover how their actions can positively affect others.

My prayer for these children is that they will remember how important and easy it is to give to others, how their seemingly small actions can cause great ripples, and how they are each treasured by this church and our God.
