## Kids Hope USA

This year our church family will be venturing into a ministry with the family of Bose Ikard Elementary School in the form of a mentoring program through Kids Hope USA. The Volunteer Mentors will provide one-to-one mentoring and affirmation for one elementary-aged child at Bose Ikard Elementary. You may be asking, "Why Bose Ikard Elementary School?" Bose Ikard happens to be the only Elementary School in WISD that does not have a Kids Hope USA partner for their at-risk kids. Mentors will spend one hour each week for the school year with one child. This is going to be a great ministry where we can be the hands and feet of Jesus for children in our community who need an adult to believe in them, be faithful, listen to them, and be sensitive to their needs. For more information contact Beth Potter at 817-613-7775.

Hey CCC,

It's that time of year again! The heat will (sooner or later) begin to go away. Football is already well into the season. AND, the pumpkins are going to be here! I would like to thank all of you who have helped out over the many years, and those of you who are helping this year...we could not do this fundraiser without your selflessness. Thank you.

Just a little insight into what your dedication to working the pumpkin patch last year brought about: YOU enabled the CYF (9-12 grade) to go to Washington D.C. for \$375 (instead of \$850), and YOU enabled the Chi Rho (6-8 grade) to go to Houston for \$150 (instead of \$300). During these mission trips, we were able to experience life solely depending on public transit in D.C., prepare over 9,900 pounds of disaster relief boxes, and realize the world doesn't just revolve around us...to say the least.

Your help with the pumpkin patch is immeasurable. If you have not already signed up to work some shifts, please contact me, and I'll get you fixed up. We have a short video with numerous pictures from our mission trips on our YouTube account, which you can find at: <http://www.youtube.com/watch?v=oiCk8jnxLuo> OR, if you are viewing this newsletter online, you can simply watch the video on this page.

Again, I cannot thank you enough for your support and hard work during the pumpkin patch...we couldn't do it without you.

Serving God and God's world with you always,

*Robert*
