

An Experiment—CCC Staff & Volunteers

As you can see, our experiment with our church publication has begun. This is the first issue of our combined newsletter and bulletin.

The main goal of the staff and volunteers of Central Christian Church (as it relates to this newsletter) is to keep you informed about opportunities to further develop your walk with God, your faith in Christ, and your relationships with your brothers and sisters in this congregation. This experiment is a way for us to save time and resources. We realized that we were printing the same pieces of information twice each week.

Your newsletter will now include Sunday's worship order. You will continue to receive it via mail or email. Please be patient as we iron out any wrinkles in this process.

It is a privilege to serve with you in ministry!
