Crossroads is a 501(c)3 organization that relies primarily on individual donations and funds gained through events such as this in order to meet the increasing needs of Parker County youth.

Crossroads is a Faith-Based organization that works to promote the emotional, physical, and spiritual well-being of youth ages 12-18, living in Parker County, who may be trapped in a cycle of destructive, abusive, or unhealthy behavior. It is a place where youth can find a safe haven with a supportive staff that strives to help them discover their intrinsic value.

Funding is utilized to provide volunteer training, staff development, educational and recreational materials, as well as the following programs:

PAL (Practical Application for Living) Classes that allow youth to explore a vast array of emotional, ethical and spiritual aspects of everyday life specific to their unique needs.

Academic Mentoring; a program that connects youth who are failing two or more school classes with a mentor to focus on 1) goal setting, 2) motivation for personal success, 3) address physical and emotional challenges interfering with academic success.

Service Learning Opportunities are designed to promote personal growth, team building and respect for oneself through giving back to the community.
