Church in Community Projects:

*The Bunkhouse

The Bunkhouse is serving as the new headquarters for Hearts Full of Love.

This nonprofit organization exists to serve the homeless populations of Parker and Tarrant county, and are a driving force in our Front Porch Friends ministry.

We will be gathering to help them by painting the interior of the Bunkhouse.

*Hilltop Retirement Community

We will be visiting the residents of this retirement community near Holland Lake Park. We will also be painting rocks with the residents as well.

This simple act is so well received by the residents, as many of them seldom receive visitors. This event is ideal for the younger guys and gals, because the elder residents don't have the opportunity to interact with children as much as they would like.

* Police and Fire Department

We will be visiting with the Police and Fire Stations in town to show them our appreciation for what they do to protect us and keep us safe.

We will also be providing them with baskets of fruit.

The sacrifices of our civil servant often times go unappreciated. This is a great opportunity to show them love.

* Christmas lights at the Church

Our Tech team is constructing an audio/visual presentation for the holiday season. Join us in transforming the face of our church into a celebration of the Christmas season
