BUILDING OUR LEGACY

We should be finished in a month! It feels so good to say that. I know I am optimistic and lots could change, but that is our plan. We are building unity as we build the building and we could not be more pleased. Everyone has been so bright and positive about our progress and the changes. The enthusiasm is contagious. We know you will continue to be pleased as we progress. And, if we are truly past the last freeze date, we can begin to work on landscaping. That will make a big difference. It has been a process and a journey. I am so glad we are on the journey together. What a wonderful place to be community and
WORSHIP THE LORD!

Keep those suggestions coming.
In Christ, Melinda (817) 709-6421.
